Kai

We'll return here soon
It's important Please remember
But I don't remember I was just waiting in the waiting room—
You won't cooperate even a little?
Hello.
It was scary, huh? But it's OK.
The scary stuff is over

Was this boy hurt?
Was he in a lot of pain?
Hey, where's that boy?
Boy?
He was bleeding from the head but walked away, so we couldn't thank him...
Some strange boy protected this kid from the explosion
The older boy is fine so don't worry
He's happy that you're safe.
We're in the midst of questioning the building.
Hey you, could you do this later?
Masaki...? That kid's been too reckless recently

The child was shaking, so I calmed her down alright?
...To make up for your insensitivity
Hey, are you listening?
Where do you belong? Show some identification
What was that?
Think a little of the victim's feelings
Yo Makoto

What'll you do when you meet him? You can't restrain him.
